## Premier X5 Sectional Matrix System™

Premier X5 – an innovative, complete, high-quality, 5 component system designed to achieve accurate Class 2 composite restorations.

### 5 Reasons to Choose X5:

Proprietary, strong, reusable resin rings:  
Up to 5 autoclave cycles

Anatomically-shaped matrices: proper contouring + tight contacts

Compatible with other system's wedges and matrices

Easy to use compared to Tofflemire-type retainers

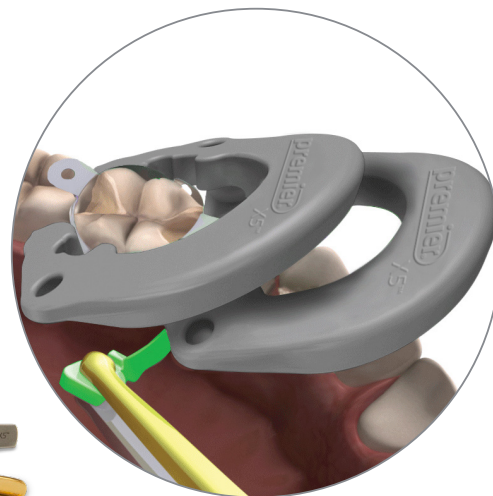

Priced right for exceptional value

*There's never been a better time to make the switch to X5 and save without compromising quality results.*
